PROFESSIONAL FORMULATION

Item # VP-MT  
60 tablets per bottle  
Dietary Supplement

- Relieves Muscle Tension
- Relieves Muscle Spasms
- Management in the treatment of musculoskeletal trauma

## Vinco's Muscle Tranq®

Contains Valerian, Passiflora, Cramp Bark, Wild Yam Root and Hops Flower; time-tested traditional relaxant and tranquilizers.

Valerian is used as a sedative and Passiflora is a remedy for nervousness, agitation and insomnia.

Vinco's Muscle Tranq® also contains Calcium (Aspartate) and Magnesium (Aspartate) which is helpful in relieving hypertonic muscles and cramping. These aspartic acids act as a carrier molecule, which allows better utilization of the mineral ions at the cellular level.

Muscle Tranq® is a mild herbal relaxant with cumulative effects; that is, the product is designed to be used frequently over several days during the episode of spasm.

## Directions for use:

As a dietary supplement for adults and children twelve or more years of age, during the acute phase, take 2 tablets 3 times daily then reduce to 1 or 2 tablets once daily for maintenance, or as directed by a qualified healthcare professional.
