## Vinco's Fem-Vite

Not an Average Multiple, Fem-Vite is a broad-spectrum multi-vitamin / mineral supplementation that is required in many clinical situations, including weight loss. Exercise, dieting and the lifestyle that ensues, place an increased demand on our body's daily requirements for nutritionals.

Unlike average multiples, Fem Vite considers total supplement needs, from increasing metabolism to detoxification and repair. Fem Vite delivers not just the basics, but the right things in the right amounts; making it the ideal supplement for daily nutrition.
