

PRODUCT FORMULARY

Liver/Kidney Detox

- Supportive Botanicals To Encourage Liver & Kidney Detoxification†
- Helps To Preserve Liver & Kidney Function†
- Cleanse & Rejuvenate†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Liver/Kidney Detox contains complimentary agents for liver and kidney support and detoxification. Although detoxification takes place in a number of body systems, the kidneys and the liver are the major glands responsible for detoxification.†

N-Acetyl Cysteine (NAC)

- Cysteine is a semi-essential amino acid, and NAC is the supplement form of cysteine
- Stimulates the production and replenishment of glutathione, the most powerful antioxidant in the body†

Dandelion Root (*Taraxacum officinale*) (20% Phytosterols)

- Often mistaken as “just a weed”, the dandelion plant has many health benefits
- Increases the flow of bile, leading to its status as a “liver tonic”†
- Can soothe inflammation and helps to dissolve kidney stones†

Milk Thistle (*Silybum marianum*) (80% Silymarin)

- A flowering herb related to the daisy and rag weed family
- Its primary active ingredient, silymarin, has been shown to have antioxidant properties†
- May help to reduce liver inflammation and damage, as well as stimulate the growth of new liver cells†

Schisandra Berry (*Schisandra chinensis*) (9% Shisandrins)

- Purple-red berries, also known as five flavor fruit
- The pollen has antioxidant properties, particularly against toxic liver damage†

Phyllanthus (*Phyllanthus amarus*)

- A leafy herbal plant found in tropical regions
- May be used to treat various liver and kidney ailments in conjunction with milk thistle†
- Appears to reduce viral replication, effective for diseases such as Hepatitis B†

Uva Ursi Leaf (*Arctostaphylos uva-ursi*)

- An evergreen shrub often referred to as bear-berry
- Before the invention of antibiotics, Uva Ursi was a common remedy for urinary tract infections†
- Contains glycosides and arbutin, natural chemicals known to fight infection†
- Tannins in Uva Ursi have astringent (drying) properties, which may reduce inflammation†

Bupleurum Root (*Bupleurum chinensis*)

- A genus of mostly perennial herbs
- May relieve liver tension and digestive disturbances†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Item Code: VP-FF

SUGGESTED USE: As a dietary supplement for adults and children twelve or more years of age, take three capsules per day, or as directed by a qualified healthcare professional.

The ingredients found in **Vinco's Liver/Kidney Detox** have been shown to be beneficial in support of liver and kidney detoxification.†
