

PRODUCT FORMULARY

# N2Gout®

- Promotes Pain Relief Associated With High Uric Acid Levels†
- Supports Healthy Uric Acid Metabolism†
- Helps Reduce The Frequency of High Uric Acid Levels†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**N2Gout®** provides the anthocyanin benefit of whole tart cherries in freeze-dried form, along with Turmeric (*Curcuma longa*) for anti-inflammatory support, Vitamin B5 (Pantothenic Acid) for stress management, and Stinging Nettle Leaf for inflammation support by flushing excess uric acid.†

**Freeze-Dried Whole Tart Cherry Powder (VitaCherry®)**

- Whole freeze-dried tart cherries are used to maintain quality
- Cherries have been known to reduce pain, inflammation, and frequency of gout†
- Anthocyanins, a flavonoid antioxidant, slow the production of uric acid and breakup already formed uric acid crystals†

**Turmeric (*Curcuma longa*)**

- A root plant of the ginger family
- Over two dozen anti-inflammatory compounds, including six different COX-2 inhibitors which block the pain, swelling, and inflammation associated with the COX-2 enzyme†

**Vitamin B5 (Pantothenic Acid)**

- While all B vitamins are known to be “anti-stress”, B5 is the most beneficial†
- Also known as pantothenic acid, B5 promotes positive mood and brain function†

**Stinging Nettle Leaf (*Urtica dioica*)**

- A plant that has been used since ancient times to reduce pain and swelling†
- The anti-inflammatory effects help to flush excess uric acid from the body, while soothing joint swelling†
