

PRODUCT FORMULARY

Nitric Oxide Elite

- Promotes Blood Flow, Circulation & Energy†
- Supports Healthy Blood Pressure Levels†
- Enhanced Absorption†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

One of the most important molecules for blood vessel health, nitric oxide, has far reaching benefits from increased blood flow to reduced blood pressure.

Although it occurs naturally, suboptimal levels in the body can be associated with heart disease. Vinco's Nitric Oxide Elite encourages healthy levels of endothelial nitric oxide production. It is designed to promote blood flow, circulation and energy, as well as support vascular dilation and healthy blood pressure levels.†

This formulation has been enhanced for better absorption with clinically studied BioPerine® (Black Pepper Fruit Extract), and features Quatrefolic®, an optimal source of folate for higher bioavailability and improved water solubility.

Vitamin C (as Ascorbic Acid)

- May enhance nitric oxide (NO) production through stepwise reduction of dietary nitrate (NO3) to nitrite (NO2) to nitric oxide (NO)†

Vitamin B12 (as Methylcobalamin)

- Both 5-MTHF (Folate) and Methylcobalamin are required to maintain optimal homocysteine balance, which is crucial for supporting arterial and cardiovascular health†
- 5-MTHF (Folate) and Methylcobalamin support healthy arterial blood flow by increasing nitric oxide production†

Folate (5-MTHF) (as Quatrefolic® [6S]-5 methyltetrahydrofolate, Glucosamine Salt)

- Helps improve nitric oxide (NO) bioavailability via increased endothelial nitric oxide (NO) synthase (eNOS) dimerization†
- Plays a role in DNA formation, brain development, and red blood cell production†

L-Citrulline

- An amino acid produced by the body
- Helps in the formation of nitric oxide, thereby playing a role in the dilation of blood vessels†
- Has the potential to help lower blood pressure†
- May enhance athletic performance†

Fermented Beet Root

- Fermented version of the red root vegetable
- High in naturally occurring nitrates, which the body converts to nitric oxide
- Studies have shown it can be beneficial for improving blood pressure, and may boost athletic performance†
- Contains compounds called betalains which are known to reduce the activity of inflammatory enzymes†

Grape Seed Extract (95% Polyphenols)

- A supplement made from the bitter seed of the grape
- Has been studied for its potential to provide numerous heart health related benefits such as reducing blood pressure, improving blood flow, and reducing oxidative damage†

BioPerine® (Black Pepper Fruit Extract)

- Piperine extract from black pepper in a form that is absorbed and tolerated well by the body
- Has been shown through clinical trials to increase nutrient absorption
- May help to stabilize blood sugar levels†
- Has the potential to alleviate inflammation†

Item Code: V-NOE

SUGGESTED USE: As a dietary supplement for adults and children twelve or more years of age, take three capsules per day, or as directed by a qualified healthcare professional.

Nitric Oxide Elite contains ingredients shown to promote blood flow, circulation and energy, as well as support vascular dilation and healthy blood pressure levels.† Our enhanced absorption formulation features clinically-studied BioPerine®.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

KEEP OUT OF REACH OF CHILDREN. Tamper resistant. Do not purchase if seal is broken. Store in a cool, dry place.

PROFESSIONAL FORMULATION

SUPPLEMENT FACTS

Serving Size: 3 Capsules Servings Per Container: 30

	Amount Per Serving	%DV
Vitamin C (as Ascorbic Acid)	200 mg	222%
Vitamin B12 (as Methylcobalamin)	200 mcg	8,333%
Folate (as Quatrefolic® [6S]-5-methyltetrahydrofolate, Glucosamine Salt)	100 mcg DFE	25%
L-Citrulline	1,500 mg	*
Fermented Beet Root (Contains naturally occurring Nitrates)	500 mg	*
Grape Seed Extract (95% Polyphenols)	200 mg	*
BioPerine® (Black Pepper Fruit Extract)	10 mg	*

* Daily Value (DV) not established

Other Ingredients: Gelatin (Capsule), Vegetable Stearate, Silicon Dioxide

No Wheat, No Gluten, No Corn, No Dairy, No Soy, No Yeast
